Appointment of Auditor

The Corporation has proposed the re-appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of Vancouver, British Columbia, as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed. It is proposed that the remuneration to be paid to the auditor be fixed by the Board of Directors through the Audit Committee. **Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted "for" the re-appointment of PricewaterhouseCoopers LLP as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed and that the remuneration to be paid to the auditor be fixed by the Board of Directors through the Audit Committee.** PricewaterhouseCoopers LLP (then Coopers & Lybrand) was first appointed the auditor of the Corporation on June 28, 1985.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Meeting and to be available to respond to appropriate questions from persons present at the Meeting. If representatives of PricewaterhouseCoopers LLP are present at the Meeting, the Chairman of the Meeting will provide such representatives with the opportunity to make a statement if they so desire.

The auditors must be appointed by an affirmative vote of a simple majority of the votes cast, either in person or by proxy, at the Meeting on this matter.

Fees Paid to Auditor and their Independence from the Corporation

The Corporation retained PricewaterhouseCoopers LLP to provide services which were billed for the years ended December 31, 2008 and 2007 in the following categories and amounts:

	<u>2008</u>	<u>2007</u>
Audit Fees ⁽¹⁾	Cdn.\$314,180	Cdn.\$272,103
Audit Related Fees ⁽²⁾	—	—
Tax Fees ⁽³⁾	Cdn.\$103,963	Cdn.\$191,709
All Other Fees ⁽⁴⁾	—	—
Totals	<u>Cdn.\$418,143</u>	<u>Cdn.\$463,812</u>

- (1) “Audit Fees” represent fees for the audit of the Corporation’s consolidated annual financial statements, review of the Corporation’s interim financial statements, and review in connection with regulatory financial filings.
- (2) “Audit Related Fees” represent fees for assistance with the application of accounting and financial reporting standards.
- (3) “Tax Fees” represent fees for tax compliance, tax consulting and tax planning.
- (4) For 2008 and 2007, no other fees were paid for legal compliance and business practice reviews, financial information systems design and implementation, internal audit co-sourcing services or other matters not covered by Audit Fees, Audit Related Fees or Tax Fees.

The Audit Committee has adopted procedures requiring the Audit Committee to review and approve in advance, all particular engagements for services provided by the Corporation’s independent auditor. Consistent with applicable laws, the procedures permit limited amounts of services, other than audit, review or attest services, to be approved by one or more members of the Audit Committee pursuant to authority delegated by the Audit Committee, provided the Audit Committee is informed of each particular service. All of the engagements and fees for 2008 were pre-approved by the Audit Committee. The Audit Committee reviews with PricewaterhouseCoopers LLP whether the non-audit services to be provided are compatible with maintaining the auditor’s independence. The Board has determined that fees paid to the independent auditors for non-audit services in any year will not exceed the fees paid for audit services during the year. Permissible non-audit services will be limited to fees for tax services, accounting assistance or audits in connection with acquisitions, and other services specifically related to accounting or audit matters such as audits of employee benefit plans.

Amendment to the Stock Option Plan

The Corporation has proposed amendments to its stock option plan (the “**Stock Option Plan**”) (a) to provide for the automatic extension of the expiry date of options that expire during a blackout period imposed by the Corporation, and (b) to replace references to the “American Stock Exchange” with the “NYSE Amex” in order to reflect the current name of this exchange. The amendments are described in further detail below and were approved by the Board of Directors of the Corporation on March 2, 2009. **Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted “for” the proposed amendments to the Stock Option Plan.**

Under the Corporation’s Insider Trading Policy, directors, officers, and employees of the Corporation and other specified persons are restricted from trading in securities of the Corporation during periodic blackout periods imposed by the Corporation. The Corporation proposes to amend the Stock Option Plan in order to address the situation where an optionholder is unable to exercise an option expiring during such a blackout period by providing that the option’s expiry date will be extended to the 10th business day following the expiry of the blackout period. The TSX has indicated in TSX Notice 2006-0001 that, in the event of a blackout period, such limited extensions are permissible.

The proposed amendments will include the addition of the following to Section 6.3 of the Plan:

If the expiry date of an Option occurs during a Blackout Period (as defined below), such expiry date shall deemed to be extended to the date that is the 10th business day after the last day of the applicable Blackout Period. For the purposes of this Plan, “Blackout Period” means, with respect to an Option, any period during which the holder of the Option is not permitted to trade Shares pursuant to the policies of the Corporation.

At the Meeting, shareholders will be asked to consider and, if thought appropriate, approve, an ordinary resolution approving amendments to the Stock Option Plan (a) to provide for the automatic extension of the expiry date of options that expire during a periodic blackout period imposed by the Corporation to the 10th business day following the expiry date of the blackout period, and (b) to replace all references to the “American Stock Exchange” with references to the “NYSE Amex”.

The text of the ordinary resolution to amend the Stock Option Plan is set out in Appendix “B”. A complete copy of the Stock Option Plan with the proposed amendments highlighted, is attached as Appendix “C”. Additional information on the Stock Option Plan is set out below under “Compensation Committee Report on Executive Compensation — Compensation Discussion and Analysis — Elements of Our Compensation Program for Fiscal 2008 — Stock Options”.

Shareholder approval of the proposed amendment of the Stock Option Plan is required pursuant to the terms of the Stock Option Plan and the rules and policies of the TSX. The rules and policies of the TSX further require that the amendment to the Stock Option Plan must be approved by a majority of votes cast at the Meeting other than votes attaching to Common Shares beneficially owned by insiders to whom options under the Stock Option Plan may be issued and their associates and affiliates (“**Interested Insiders**”). As at March 30, 2009, the Corporation understands that Interested Insiders beneficially own 155,823 Common Shares. Consequently, other than those votes relating to the 155,823 Common Shares held by Interested Insiders, all of the votes will be counted for the purposes of determining whether the required level of shareholder approval has been obtained for the amendment to the Stock Option Plan.

To be approved, the ordinary resolution approving the amendments to the Stock Option Plan requires the approval of a majority of the votes cast, in person or by proxy, at the Meeting, except votes relating to the 155,823 Common Shares held by Interested Insiders.

Approval of All Unallocated Options Under the Stock Option Plan

The rules of the TSX require that, every three years after institution, all unallocated options, rights or other entitlements under a listed corporation’s rolling stock option plan must be approved by a majority of both the Corporation’s directors and by its’ shareholders. **Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted “for” the approval of all unallocated options under the Stock Option Plan.**

The Board of Directors unanimously approved all unallocated options under the Corporation’s Stock Option Plan on March 2, 2009.

The Stock Option Plan is a “rolling” stock option plan such that the maximum number of Common Shares which may be reserved, set aside and made available for issue under, and in accordance with, the Stock Option Plan is a variable number equal to 10% of the total number of Common Shares issued and outstanding as of the date of the grant on a non-diluted basis. In addition, the maximum number of Common Shares that may be reserved for issuance to any individual under the Stock Option Plan is that number of Common Shares that is equivalent to 5% of the Common Shares issued and outstanding from time to time.

At the Meeting, shareholders will be asked to approve all unallocated options under the Stock Option Plan. Every three years after institution all unallocated options under Stock Option Plan must be approved by a majority of the Corporation’s directors and by a resolution of the Corporation’s shareholders. Currently outstanding Options will be unaffected if this resolution is not approved. However, currently outstanding Options which have been terminated will not be available for re-grant and our Board of Directors will not be able to grant new Options if the unallocated options are not approved. If the unallocated options are approved at the Meeting then the unallocated options will have to be re-approved by the shareholders at the Corporation’s annual general meeting in 2012.

There are currently Options to acquire 2,234,747 Common Shares outstanding under the Stock Option Plan, representing 6.5% of the Corporation’s issued and outstanding Common Shares. Based on the number of issued and outstanding Common Shares as of the date hereof, the Corporation can grant Options to acquire an additional 1,212,836 Common Shares. Accordingly, the unallocated options under the Corporation’s Stock Option Plan currently represent options to acquire 1,212,836 Common Shares, currently representing 3.5% of the Corporation’s issued and outstanding Common Shares.

At the Meeting, the Shareholders will therefore be asked to consider and, if thought appropriate, approve, an ordinary resolution approving all unallocated options under the Corporation's Stock Option Plan until May 4, 2012.

The text of the ordinary resolution to approve all unallocated options under the Corporation's Stock Option Plan is set out in Appendix "B". A complete copy of the Stock Option Plan, with the proposed amendments described above highlighted, is attached as Appendix "C". Additional information on the Stock Option Plan is set out below under "Compensation Committee Report on Executive Compensation — Compensation Discussion and Analysis — Elements of Our Compensation Program for Fiscal 2008 — Stock Options".

Shareholder approval of all unallocated options under the Stock Option Plan is required pursuant to the terms of the Stock Option Plan and the rules and policies of the TSX. The rules and policies of the TSX further require that the approval of all unallocated options under the Stock Option Plan must be approved by a majority of votes cast at the Meeting other than votes attaching to Common Shares beneficially owned by Interested Insiders. As at March 30, 2009, the Corporation understands that Interested Insiders beneficially own 155,823 Common Shares. Consequently, other than those votes relating to the 155,823 Common Shares held by Interested Insiders, all of the votes will be counted for the purposes of determining whether the required level of shareholder approval has been obtained for the approval of all unallocated options under the Stock Option Plan.

To be approved, the ordinary resolution approving the unallocated options requires the approval of a majority of the votes cast, in person or by proxy, at the Meeting, except votes relating to the 155,823 Common Shares held by Interested Insiders.

Information About Proxies

Solicitation of Proxies

The solicitation of proxies by management of the Corporation will be made primarily by mail but solicitation may be made by telephone or in person with the cost of such solicitation to be borne by the Corporation. **While no arrangements have been made to date, the Corporation may contract for the solicitation of proxies for the Meeting. Such arrangements would include customary fees which would be borne by the Corporation.**

Appointment of Proxyholder

The persons named in the enclosed form of proxy for the Meeting are officers of the Corporation and nominees of management. A registered shareholder has the right to appoint some other person or company, who need not be a shareholder, to represent such registered shareholder at the Meeting by inserting that other person's name in the blank space provided on the form of proxy in the form set out in Appendix "A". If a registered shareholder appoints one of the persons designated in the accompanying form of proxy as a nominee and does not direct the said nominee to vote either "For" or "Against" or "Withhold" from voting on a matter or matters with respect to which an opportunity to specify how the Common Shares registered in the name of such registered shareholder shall be voted, the proxy shall be voted "For" such matter or matters.

The instrument appointing a proxyholder must be in writing and signed by the registered shareholder, or such registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by a duly authorized officer, or attorney, of such corporation. An undated but executed proxy will be deemed to be dated the date of the mailing of the proxy. In order for a proxy to be valid, a registered shareholder must:

- (a) sign and print his or her name on the lines specified for such purpose at the bottom of the form of proxy; and
- (b) return the properly executed and completed form of proxy:
 - (i) by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Computershare Investor Services Inc., or
 - (ii) by faxing it to Computershare Investor Services Inc. at 1-866-249-7775 (toll free in North America) or 1-416-263-9524 (international),

to be received by 4:30 p.m., Toronto time, on Friday, May 1, 2009, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Revocation of Proxy

A registered shareholder may revoke a proxy by delivering an instrument in writing executed by such registered shareholder or by the registered shareholder's attorney authorized in writing or, where the registered shareholder is a corporation, by a duly authorized officer or attorney of such corporation, either to the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof and before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner permitted by law.

Voting of Proxies

A registered shareholder may direct the manner in which his or her Common Shares are to be voted or withheld from voting in accordance with the instructions of the registered shareholder by marking the form of proxy accordingly. The management nominees designated in the enclosed form of proxy will vote the Common Shares represented by proxy in accordance with the instructions of the registered shareholder on any resolution that may be called for and if the registered shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the Common Shares represented by a proxy given to management will be voted "For" the resolution. If more than one direction is made with respect to any resolution, such Common Shares will similarly be voted "For" the resolution.**

Exercise of Discretion by Proxyholders

The enclosed form of proxy when properly completed and delivered and not revoked, confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. If any amendment or variation or other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their judgement on such amendment, variation or matter.

Voting by Beneficial Shareholders

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Common Shares in their own name.

Persons who hold Common Shares through their brokers, agents, trustees or other intermediaries (such persons, "**Beneficial Shareholders**") should note that only proxies deposited by registered shareholders whose names appear on the share register of the Corporation may be recognized and acted upon at the Meeting. If Common Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Corporation. Such Common Shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such shares will be registered in the name of "CDS & Co.", the registration name of CDS Clearing and Depository Services Inc., and in the United States, the vast majority will be registered in the name of "Cede & Co.", the registration name of the Depository Trust Company, which entities act as nominees for many brokerage firms. Common Shares held by brokers, agents, trustees or other intermediaries can only be voted by those brokers, agents, trustees or other intermediaries in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the voting instructions provided by their intermediary with this Information Circular and ensure they communicate how they would like their Common Shares voted in accordance with those instructions.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “**NOBOs**”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as “**OBOs**”. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has elected to send the Notice of Meeting, this Information Circular, the form of proxy and the reply card (collectively, the “**Meeting Materials**”) indirectly through intermediaries to all of the Beneficial Shareholders. The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each Beneficial Shareholder, unless the Beneficial Shareholder has waived the right to receive them.

Intermediaries will frequently use service companies to forward the Meeting Materials to Beneficial Shareholders. Generally, a Beneficial Shareholder who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which (i) has already been signed by the intermediary (typically by a facsimile, stamped signature), (ii) is restricted as to the number of shares beneficially owned by the Beneficial Shareholder, and (iii) must be completed, but not signed, by the Beneficial Shareholder and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form (“**VIF**”) which (i) is not signed by the intermediary, and (ii) when properly completed and signed by the Beneficial Shareholder and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

VIFs should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own.

Please return your voting instructions as specified in the VIF. Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent, trustee or other intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting or have someone else attend on their behalf, and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent, trustee or other intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Securities Entitled to Vote

As of March 30, 2009, the authorized share capital of the Corporation consists of an unlimited number of Common Shares, of which 34,475,829 Common Shares are issued and outstanding. Every shareholder who is present in person and entitled to vote at the Meeting shall have one vote on a show of hands and on a poll shall have one vote for each Common Share of which the shareholder is the registered holder, and such shareholder may exercise such vote either in person or by proxy.

The Board of Directors of the Corporation has fixed the close of business on March 23, 2009 as the record date for the purpose of determining the shareholders entitled to receive notice of the Meeting, but the failure of any shareholder to receive notice of the Meeting does not deprive such shareholder of the entitlement to vote at the Meeting. Every registered shareholder of record at the close of business on March 23, 2009 who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment or postponement thereof, except to the extent that:

- (a) such shareholder has transferred the ownership of any of his or her Common Shares after March 23, 2009; and
- (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares, and demands, not later than 10 days before the

Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

Ownership by Principal Shareholders

To the Corporation's knowledge, no person beneficially owns more than five percent of the Corporation's outstanding Common Shares as of March 30, 2009.

The Corporation has no charter or by-law provisions that would delay, defer or prevent a change in control of the Corporation.

Quorum

Under By-Law No. 1 of the Corporation, the quorum for the transaction of business at the Meeting is two shareholders present in person or by proxy.

The ordinary resolutions authorizing the Corporation to amend the Corporation's Stock Option Plan and approving all unallocated options must each be approved by a majority of more than 50% of the votes cast by shareholders who vote in person or by proxy at the Meeting with respect to these resolutions. The rules and policies of the TSX further require that the resolutions to amend the Stock Option Plan and to approve all unallocated options must each be approved by a majority of votes cast at the Meeting other than votes attaching to Common Shares beneficially owned by Interested Insiders. As at the date of this Information Circular, the Corporation understands that Interested Insiders beneficially own 155,823 Common Shares. Consequently, other than those votes relating to the 155,823 Common Shares held by Interested Insiders, all of the votes will be counted for the purposes of determining whether the required level of shareholder approval has been obtained for the amendment to the Stock Option Plan and the approval of all unallocated options. See "Particulars of Matters to be Acted Upon — Amendment to the Stock Option Plan" and "Particulars of Matters to be Acted Upon — Approval of All Unallocated Options Under the Stock Option Plan".

Abstentions will be counted as present for purposes of determining the presence of a quorum for purposes of these matters, but will not be counted as votes cast. Broker non-votes (shares held by a broker or nominee as to which the broker or nominee does not have the authority to vote on a particular matter) will not be counted as present for purposes of determining the presence of a quorum for purposes of these matters and will not be voted. Accordingly, neither abstentions nor broker non-votes will have any effect on the outcome of the votes on the matters to be acted upon at the Meeting.

Corporate Governance

The Corporation's Board of Directors and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Corporation. Effective June 30, 2005, the Canadian Securities Administrators implemented National Policy 58-201 — *Corporate Governance Guidelines* and National Instrument 58-101 — *Disclosure of Corporate Governance Practices* ("NI 58-101") in each of the provinces and territories of Canada. The NYSE Amex ("AMEX") (formerly called the American Stock Exchange) has also established rules for corporate governance as detailed in AMEX's Company Guide (the "AMEX Company Guide"). The Board of Directors is of the view that the Corporation's system of corporate governance meets or exceeds the majority of each of these sets of guidelines and requirements.

Board of Directors

The present Board of Directors consists of six directors, three of whom are viewed as being "independent" within the meaning of Canadian NI 58-101 and four of whom qualify as unrelated directors who are viewed as being "independent" within the meaning of Section 803A of the AMEX Company Guide. John M. Clark, C. Thomas Ogryzlo and Tracy A. Stevenson are considered to be independent members of the Board of Directors. Although W. Durand Eppler is considered to be independent within the meaning of the AMEX Company Guide, he is no longer considered to be independent under Canadian NI 58-101 as a result of consulting fees in the amount of \$25,000 that was paid by the Corporation in each of 2008 and 2009 to a limited liability company in which Mr. Eppler is a managing member and one-third owner. The Corporation intends to enter into another consulting agreement with such limited liability company that would result in additional consulting fees of approximately \$120,000 being paid by the Corporation to the limited liability company. The Board of Directors does not believe that the payment of this consulting fee will materially interfere with Mr. Eppler's ability to act in the best interests of the Corporation and has concluded that he remains able to act independently of management of the Corporation. Michael B. Richings and Frederick H. Earnest are not independent directors because of their management positions with the Corporation. Notwithstanding that a majority of the members of the Board of Directors are not independent for Canadian purposes, the Board of Directors is of the view that it is able to exercise its independent judgment in carrying out its responsibilities.

The Executive Chairman of the Board of Directors is Michael B. Richings, who is not an independent director. All of the independent directors are members of the Audit Committee, the Compensation Committee and the

Corporate Governance Committee, which meet regularly without management present. In addition, W. Durand Eppler, a non-management director who is “independent” within the meaning of Section 803A of the AMEX Company Guide, is a member of the Compensation Committee and the Corporate Governance Committee. Accordingly, the Board of Directors believes that there is adequate leadership of the independent directors and that it is currently unnecessary to appoint a lead director.

The Board of Directors believes that adequate structures and processes are in place to facilitate the functioning of the Board of Directors independently of the Corporation’s management. The Audit Committee is entirely composed of independent directors and with the exception of W. Durand Eppler for Canadian purposes, the Compensation Committee and the Corporate Governance Committee are entirely composed of independent directors. The independent directors met together three times during 2008. The regularly scheduled committee meetings give the independent directors the opportunity for open and frank discussions on all matters they consider relevant, including an assessment of their own performance. In addition, the Board of Directors meets periodically with the Corporation’s auditor without management present.

A number of directors of the Corporation hold directorships with other issuers. Details of those other directorships can be found above in the table under the heading “Particular Matters to be Acted Upon — Election of Directors”.

The meeting attendance for the year ended December 31, 2008 is summarized in the table below:

<u>Director</u>	<u>Board Meetings (Attended/Held)</u>	<u>Committee Meetings (Attended/Held)</u>
John M. Clark	5/6	8/9
W. Durand Eppler	6/6	8/8 ⁽¹⁾
C. Thomas Ogryzlo	6/6	9/9
Michael B. Richings	6/6	N/A
Tracy A. Stevenson	6/6	7/9
Frederick H. Earnest	6/6	N/A

(1) Mr. Eppler resigned as a member of the Audit Committee effective October 30, 2008.

The Chief Executive Officer of the Corporation and the President and Chief Operating Officer of the Corporation are required to attend the Meeting; attendance by other directors is discretionary. Messrs. Clark, Eppler, Earnest, Marlier and Richings attended the 2008 Annual General Meeting.

Mandate of the Board of Directors

Pursuant to the Yukon *Business Corporations Act*, the Board of Directors is required to manage or supervise the management of the affairs and business of the Corporation. The Board of Directors has adopted a written mandate, which defines its stewardship responsibilities in light of this statutory obligation. Under this mandate, the directors’ principal responsibilities are to supervise and evaluate management, to oversee the conduct of the business, to set policies appropriate for the business and to approve corporate strategies and goals. In addition, the Board of Directors has also specifically assumed responsibility for succession planning and monitoring senior management, the Corporation’s disclosure policy, and the integrity of the Corporation’s internal control and management information systems. In carrying out these responsibilities, the Board of Directors is entitled to place reasonable reliance on management. The mandate and responsibilities of the Board of Directors are to be carried out in a manner consistent with the fundamental objective of protecting and enhancing the value of the Corporation and providing ongoing benefit to the shareholders. A copy of the Mandate of the Board of Directors is attached as Appendix “D”.

Position Descriptions

The Board of Directors has not developed written position descriptions for the chair of the Board of Directors, the chair of each committee, or the Chief Executive Officer. Accordingly, the roles and responsibilities of those positions are currently delineated on the basis of customary practices.

The chair of each committee of the Board of Directors is identified below under the heading “Committees of the Board of Directors”.

Orientation and Continuing Education

New Board members receive a director’s orientation regarding the role of the Board of Directors, its committees and the directors, as well as, the nature and operations of the Corporation’s business. As well, presentations are given, from time to time, to the Board of Directors on legal and other matters applicable to the Corporation and directors’ duties.

Ethical Business Conduct

On December 19, 2003, the Board of Directors adopted a Code of Business Conduct and Ethics (the “**Code of Ethics**”), which has the fundamental principles of honesty, loyalty, fairness, forthrightness and use of common sense in general. The Code of Ethics was amended on March 2, 2009. An integral part of the Code of Ethics is to manage the Corporation with full transparency, and in the best interests of the shareholders and other stakeholders of the Corporation. The Code of Ethics (as amended) is available on the Corporation’s website at www.vistagold.com and on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) at www.sedar.com. The Code of Ethics applies to all directors, officers and employees, including the principal executive, financial and accounting officers. The Board of Directors, through the Corporate Governance Committee, is responsible for monitoring compliance with the Code of Ethics. The Corporate Governance Committee reviews with management any issues with respect to compliance with the Code of Ethics.

The Board of Directors ensures, through the Corporate Governance Committee, that the directors exercise independent judgement in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Code of Ethics sets out the procedure with respect to reporting conflicts of interest. Actual or potential conflicts of interests are reported to the Chair of the Corporate Governance Committee. Members of the Corporate Governance Committees are required to be particularly vigilant in reviewing and approving conflicts of interests.

Committees of the Board of Directors

During fiscal 2008, there were three standing committees of the Board of Directors: the Audit Committee; the Corporate Governance Committee; and the Compensation Committee, each described below. Between meetings of the Board of Directors, certain of its powers may be exercised by these standing committees, and these committees, as well as the Board of Directors, sometimes act by unanimous written consent. All of the directors on each committee are “independent” within the meaning of Section 803A of the AMEX Company Guide. All of the directors on the Audit Committee are “independent” within the meaning of NI 58-101 and all but one of the directors on the other committees are “independent” within the meaning of NI 58-101. The non-independent director on such committees is a non-management director.

Audit Committee

The Corporation has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is chaired by John M. Clark. Its other members as of the date of this Information Circular are C. Thomas Ogryzlo and Tracy A. Stevenson. W. Durand Eppler resigned as a member of the Audit Committee effective October 30, 2008. Each member of the Audit Committee is “independent” within the meaning of Rule 10A-3 of the Exchange Act, Section 803(B)(2) of the AMEX Company Guide and is “independent” and “financially literate” within the respective meaning of such terms in National Instrument 52-110 — *Audit Committees* (“**NI 52-110**”). In accordance with Section 407 of the United States *Sarbanes-Oxley Act of 2002*, the Board of Directors has identified John M. Clark as the “Audit Committee Financial Expert”. No member of the Audit Committee has participated in the preparation of the financial statements of the Corporation, or any current subsidiary of the Corporation, at any time during the past three years. The Audit Committee, under the guidance of the Audit Committee Charter approved by the Board of Directors, assists the Board of Directors in fulfilling its oversight responsibilities by reviewing (i) the financial statements, reports and other information provided to shareholders, regulators and others,

(ii) the independent auditor's qualifications, independence and performance, (iii) the internal controls that management and the Board of Directors have established, (iv) the audit, accounting and financial reporting processes generally, and (v) compliance by the Corporation with legal and regulatory requirements. A copy of the Audit Committee Charter is available on the Corporation's website at www.vistagold.com. The Audit Committee met four times during the fiscal year ended December 31, 2008. Additional information about the Audit Committee is contained below under the heading "Audit Committee Report".

Corporate Governance Committee

The Corporate Governance Committee is chaired by C. Thomas Ogryzlo. Its other members as of the date of this Information Circular are John M. Clark, W. Durand Eppler and Tracy A. Stevenson. The Corporate Governance Committee's functions are to review the Corporation's governance activities and policies and to review, approve and monitor related party transaction involving the Corporation and also to review proposed nominees for the Board of Directors. The Corporate Governance Committee met two times during the fiscal year ended December 31, 2008.

The Corporate Governance Committee recommends criteria for service as a director, reviews candidates and recommends appropriate governance practices for directors. The Committee believes candidates for the Board of Directors should have the ability to exercise objectivity and independence in making informed business decisions; extensive knowledge, experience and judgment; the highest integrity; loyalty to the interests of the Corporation and its shareholders; a willingness to devote the extensive time necessary to fulfill a director's duties; the ability to contribute to the diversity of perspectives present in board deliberations; and an appreciation of the role of the corporation in society. The Corporate Governance Committee considers candidates meeting these criteria who are suggested by directors, management, shareholders and search firms hired to identify and evaluate qualified candidates. From time to time the Corporate Governance Committee recommends highly qualified candidates who are considered to enhance the strength, independence and effectiveness of the Board. Shareholders may submit recommendations in writing by letter addressed to the Chief Executive Officer of the Corporation or the Chairman of the Corporate Governance Committee. In addition, qualified persons may nominate directors at an annual general meeting. Persons qualified to make a nomination are either a shareholder entitled to vote at the meeting or a proxyholder with a proxy that specifically allows that proxyholder to nominate a director.

The Corporate Governance Committee reviews the size of the Board of Directors annually. A board must have enough directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board of Directors believes that its present size effectively fulfills this goal. The Corporate Governance Committee recommended the nominees for directors.

The Corporation's Corporate Governance Committee Charter is available on the Corporation's website at www.vistagold.com.

Communications with the Board of Directors

Shareholders may send communications to the Board, the Chairman, or one or more non-management directors by using the contact information provided on the Corporation's website under the headings "Management Team", "Board of Directors" and "Contact the Board of Directors". Shareholders also may send communications by letter addressed to the Chief Executive Officer of the Corporation at 7961 Shaffer Parkway, Suite 5, Littleton, CO 80127 or by contacting the Chief Executive Officer at (720) 981-1185. All communications addressed to the Chief Executive Officer will be received and reviewed by that officer. The receipt of concerns about the Corporation's accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of other concerns will be reported to the appropriate Committee(s) of the Board.

Compensation Committee

The Compensation Committee is chaired by W. Durand Eppler. Its other members as of the date of this Information Circular are John M. Clark, C. Thomas Ogryzlo and Tracy A. Stevenson. The Compensation Committee's functions are to review and make recommendations regarding the Corporation's compensation

policies and programs, as well as salary and benefit levels for individual executives, to the Board of Directors. The Board of Directors, in turn, gives final approval on compensation matters.

The Compensation Committee meets at regularly scheduled times between meetings of the Board of Directors, and sometimes acts by unanimous written consent. The Compensation Committee met three times during the fiscal year ended December 31, 2008. The duties of the Compensation Committee are described in its charter, which is available on the Corporation's website at www.vistagold.com. The Compensation Committee Charter is reviewed annually by the Compensation Committee, in order to ensure continued compliance with its stated functions and policies.

Audit Committee Report

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee acts under a written charter first adopted and approved by the Board of Directors in 2001, as amended in 2005 and 2009, which is reviewed annually. Each member of the Audit Committee is "independent" within the meaning of the AMEX Company Guide and "independent" and "financially literate" within the meaning of such terms in NI 52-110. In accordance with Section 407 of the United States *Sarbanes-Oxley Act of 2002*, the Board of Directors has identified John M. Clark as the "Audit Committee Financial Expert." A copy of the Audit Committee Charter is available on the Corporation's website at www.vistagold.com.

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Corporation's independent accountants. The Audit Committee is responsible for recommending to the Board of Directors that the Corporation's financial statements and the related management's discussion and analysis be included in its annual report. The Audit Committee took a number of steps in making this recommendation for fiscal year 2008. First, the Audit Committee discussed with PricewaterhouseCoopers LLP those matters required to be discussed by Statement on Auditing Standards No. 61, as superseded by Statement of Auditing Standard 114 — the Auditor's Communication with Those Charged with Governance, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed with PricewaterhouseCoopers LLP the independence of PricewaterhouseCoopers LLP and received from PricewaterhouseCoopers LLP the letter required by applicable standards of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence as may be modified or supplemented, concerning its independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with the Corporation's management and PricewaterhouseCoopers LLP, the Corporation's audited consolidated balance sheets at December 31, 2008, and consolidated statements of income, cash flows and shareholders' equity for the fiscal year ended December 31, 2008. Based on the discussions with PricewaterhouseCoopers LLP concerning the audit, the independence discussions, the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the Corporation's financial statements and the related management's discussion and analysis be included in its 2008 Annual Report on Form 10-K.

Compensation Committee Report on Executive Compensation

Compensation Discussion and Analysis

Compensation Program Objectives

The Corporation's compensation policies and programs are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the success of the Corporation's business. These policies and programs are intended to attract and retain capable and experienced people. The Compensation Committee's role and philosophy is to ensure that the Corporation's compensation goals and objectives, as applied to the actual compensation paid to the Corporation's Chief Executive Officer and other executive officers, are aligned with the Corporation's overall business objectives and with shareholder interests.

In addition to industry comparables and industry compensation surveys, the Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Corporation and its shareholders, overall financial and operating performance of the Corporation and the Compensation Committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives. Superior performance is recognized through the Corporation's incentive policy.

Role of Executive Officers in Determining Compensation

The Compensation Committee of the Board of Directors reviews and recommends compensation policies and programs to the Corporation, as well as salary and benefit levels for its executives. The President and Chief Operating Officer of the Corporation and the Executive Chairman and Chief Executive Officer of the Corporation may not be present during meetings of the Compensation Committee at which their compensation is being discussed. The Board of Directors makes the final determination regarding the Corporation's compensation programs and practices.

Elements of Our Compensation Program for Fiscal Year 2008

The total compensation plan for executive officers is comprised of three components: base salary, an incentive payment and stock options. The Corporation does not presently have a long-term incentive plan for its Named Executive Officers (defined below). There is no policy or target regarding allocation between cash and non-cash elements of the Corporation's compensation program. The Compensation Committee reviews annually the total compensation package of each of the Corporation's executives on an individual basis, against the backdrop of the compensation goals and objectives described above, and makes recommendations to the Board of Directors concerning the individual components of their compensation.

Base Salary:

As a general rule for establishing base salaries, the Compensation Committee reviews competitive market data for each of the executive positions and determines placement at an appropriate level in a range. Compensation levels are typically negotiated with the candidate for the position prior to his or her final selection as an executive officer. Salaries for our executive officers are normally reviewed annually to reflect external factors such as inflation as well as overall corporate performance and the results of internal performance reviews.

Incentive Payments:

The Corporation's incentive policy generally allows executive officers and management personnel to earn discretionary incentive payments based on a percentage of his or her base salary, two-thirds of which is based upon individual performance and one-third of which is based upon the performance of the Corporation. All executive officers and management personnel participate in this policy, except Mr. Richings, the Executive Chairman and Chief Executive Officer of the Corporation and Mr. Earnest, the President and Chief Operating Officer of the Corporation who are entitled to earn a discretionary incentive payment in an amount determined annually by the Board of Directors.

Following the end of each fiscal year, the Compensation Committee makes a recommendation to the Board of Directors regarding the appropriate incentive payments for the executive officers and management personnel. The Compensation Committee and the Board of Directors will consider the corporate goals established each

year, the Corporation's performance relative to those goals and the ability of the Corporation to pay a bonus in making these determinations. In 2008, incentive payments totalling \$45,000 were paid to executive officers of the Corporation.

Stock Options:

The Stock Option Plan is intended to emphasize management's commitment to the growth of the Corporation and the enhancement of shareholders' equity through, for example, improvements in operating results, resource base and share price increments.

The Stock Option Plan provides for grants to directors, officers, employees and consultants of the Corporation or its subsidiaries, of options to purchase Common Shares. Subject to applicable stock exchange requirements, the maximum number of Common Shares which may be reserved, set aside and made available for issue under, and in accordance with, the Stock Option Plan is a variable number equal to 10% of the total number of Common Shares issued and outstanding as of the date of the grant on a non-diluted basis. The maximum number of Common Shares that may be reserved for issuance to any individual under the Stock Option Plan is that number of Common Shares that is equivalent to 5% of the Common Shares issued and outstanding from time to time. Under the Stock Option Plan, options may be exercised by the payment in cash of the option exercise price to the Corporation. All options are subject to the terms and conditions of an option agreement entered into by the Corporation and each participant at the time an option is granted.

The Stock Option Plan is administered by the Board of Directors which has full and final discretion to determine (i) the total number of optioned shares to be made available under the Stock Option Plan, (ii) the directors, officers, employees and consultants of the Corporation or its subsidiaries who are eligible to receive stock options under the Stock Option Plan ("**Optionees**"), (iii) the time when and the price at which stock options will be granted, (iv) the time when and the price at which stock options may be exercised, and (v) the conditions and restrictions on the exercise of options. Pursuant to the terms of the Stock Option Plan, the exercise price must not be less than the closing price of the Common Shares on either the American Stock Exchange (now named AMEX) or the Toronto Stock Exchange (the "**TSX**"), at the Board of Directors' discretion, on the day preceding the date of grant. Options become exercisable only after they vest in accordance with the respective stock option agreement and must expire no later than ten years from the date of grant. Options granted under the Stock Option Plan are non-transferable and non-assignable other than on the death of an Optionee. An Optionee has no rights whatsoever as a shareholder in respect of unexercised options.

Pursuant to the terms of our Stock Option Plan, if any Optionee ceases to be a director, officer or employee of the Corporation or its subsidiaries, as a result of termination for "cause" (as defined in the Stock Option Plan), all unexercised options will immediately terminate. If an Optionee ceases to be a director, officer or employee of the Corporation, or its subsidiaries, or ceases to be a consultant to the Corporation, for any reason other than termination for cause, his or her options may be exercised up to, but not after, the earlier of 30 days from the date of ceasing to be a director, officer, employee or consultant, or the expiry date of the option. In the event of death of an Optionee, the legal representatives of such Optionee have the right to exercise the options at any time up to, but not after, the earlier of 90 days from the date of death or the expiry date of such option.

The Board of Directors may from time to time, subject to any applicable securities laws and any required prior regulatory approval, suspend, terminate or discontinue the Stock Option Plan at any time, or amend or revise the terms of the Stock Option Plan or of any option granted under the Stock Option Plan and the option agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any options previously granted to an Optionee without the consent of that Optionee.

A complete copy of the Stock Option Plan, with proposed amendments is attached as Appendix "C".

Perquisites and Other Personal Benefits:

The Corporation's Named Executive Officers are not generally entitled to significant perquisites or other personal benefits not offered to our employees. The Corporation does sponsor a qualified tax-deferred savings plan in accordance with the provisions of Section 401(k) of the U.S. *Internal Revenue Code of 1986*, as amended (the "**Code**"), which is described further under the heading "— Pension and Retirement Savings Plans".

Compensation for our Named Executive Officers in 2008

Our Named Executive Officers for the fiscal year ended December 31, 2008 were Michael B. Richings (Executive Chairman and Chief Executive Officer), Frederick H. Earnest (President and Chief Operating Officer), Gregory G. Marlier (Chief Financial Officer) and Howard M. Harlan (Vice President, Business Development). Mr. Richings served as our President and Chief Executive Officer until July 30, 2007, at which time he was appointed to his present position. Mr. Earnest, who served previously as Senior Vice President, Project Development, was appointed President and Chief Operating Officer effective August 1, 2007. Mr. Harlan resigned as Vice President, Business Development effective April 4, 2008.

The compensation of Mr. Richings, the Executive Chairman and Chief Executive Officer of the Corporation, is determined in the same manner as for other executive officers (as described above). Under the employment contract between the Corporation and Mr. Richings, Mr. Richings is entitled to receive a base salary, an annual discretionary incentive bonus, five weeks' vacation time and various minor perquisites. In addition, Mr. Richings is entitled to receive stock options under the Stock Option Plan. Further details regarding the compensation received by Mr. Richings during 2008 are outlined under the heading “— Summary Compensation Table”.

Effects of Regulatory Requirements on Executive Compensation

Section 409A of the Code generally affects the granting of most forms of deferred compensation which were not earned and vested prior to 2005. Our compensation program is designed to comply with the final regulations of the U.S. Internal Revenue Service and other guidance with respect to Section 409A of the Code, and we anticipate that the Compensation Committee will continue to design and administer our compensation programs accordingly.

Various rules under current generally accepted accounting practices impact the manner in which the Corporation accounts for grants of stock options to employees, including executive officers, on its financial statements. While the Compensation Committee reviews the effect of these rules (including SFAS 123(R)) when determining the form and timing of grants of stock options to the Corporation's employees, including executive officers, this analysis is not necessarily the determinative factor in any such decision regarding the form and timing of these grants.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has been an executive officer or employee of the Corporation or any of its subsidiaries or affiliates. No executive officer of the Corporation is or has been a director or a member of the Compensation Committee of another entity having an executive officer who is or has been a director or a member of the Compensation Committee of the Corporation.

Compensation Committee Report on Executive Compensation

The Compensation Committee has reviewed and discussed this Compensation Discussion and Analysis with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors of the Corporation that this Compensation Discussion and Analysis be included in this Information Circular.

In addition, in the event of a “substantial adverse change” (as defined below) in Mr. Richings’ employment without cause, the Corporation must continue to pay his base salary, accrued vacation pay, employer contributions to his retirement savings plan and employer-paid benefits for a period of 12 months following the occurrence of such substantial adverse change. In the case of Mr. Richings’ termination by the Corporation without cause or the occurrence of a substantial adverse change in his employment without cause, Mr. Richings may elect to receive a lump sum payment of \$356,599, representing 12 months of salary, vacation pay, employer contribution to his retirement savings plan, and employer-paid benefits calculated based on current levels.

Pursuant to the terms of Mr. Marlier’s employment contract, in the event of a “fundamental change” (as defined below) in his employment or termination of his employment without “just cause” (as defined below), Mr. Marlier will be entitled to continuation of his salary, accrued vacation pay, employer contributions to his retirement savings plan, and employer-paid benefits for six months after such fundamental change or termination (currently equal to \$107,355). Alternatively, Mr. Marlier may elect to receive a lump sum payment of this amount.

Pursuant to the terms of Mr. Earnest’s employment contract, in the event of a “substantial adverse change” (as defined below) in Mr. Earnest’s employment or termination of his employment by the Corporation without “just cause” (as defined below), Mr. Earnest will be entitled to continuation of his salary, accrued vacation pay, employer contributions to his retirement savings plan and employer-paid benefits for 12 months after such substantial adverse change or termination (currently equal to \$293,803). Alternatively, Mr. Earnest may elect to receive a lump sum payment of this amount.

As used in each of the employment contracts with Messrs. Richings, Marlier and Earnest, “**just cause**” includes any of their (i) failure to perform their respective duties in a satisfactory manner, as determined by our Board of Directors, (ii) death or permanent disability, (iii) breach of any fiduciary duty owed to the Corporation, or (iv) conviction in a criminal proceeding.

As used in the employment contract with Mr. Marlier, “**fundamental change**” means (i) an adverse change in any of his duties, powers, salary or benefits, (ii) a diminution of his title, or (iii) a change in the metropolitan area in which he is regularly required to carry out the terms of his employment, in each case as compared to the status of such matters as of the effective date of the agreement.

As used in Mr. Richings’ and Mr. Earnest’s employment contracts, “**substantial adverse change**” means (i) a material adverse change in any of their respective duties, powers, rights, discretion, salary or benefits, or (ii) a diminution of their respective titles, in each case as compared to the status of such matters at the effective date of their applicable agreement.

For a description of the treatment of outstanding options held by Named Executive Officers upon termination, see “— Compensation Discussion and Analysis — Elements of Our Compensation Program for Fiscal Year 2008 — Stock Options”.

Other than as described above, the Corporation has no plan or arrangement in respect of compensation received or that may be received by Named Executive Officers to compensate such officers in the event of the

termination of their employment, resignation or retirement, following a change of control of the Corporation, or in the event of a change in responsibilities following any such change of control.

legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the knowledge of the Corporation, no proposed director of the Corporation has, within 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director of the Corporation.

Interest of Certain Persons in Material Transactions and Matters to be Acted Upon

Except as otherwise described in this Information Circular, no director or executive officer of the Corporation who has served in such capacity since the beginning of the last financial year, any proposed nominee for director, or any associate or affiliate of such person, and to the best of the knowledge of management of the Corporation, no person that has direct or indirect beneficial ownership of more than 5% of the issued Common Shares of the Corporation and no associate or affiliate of any such person, had any material interest, directly or indirectly, in any transaction within the past year, or in any proposed transaction, which has affected or would materially affect the Corporation or any of its subsidiaries or in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors of the Corporation. Without limiting the generality of the foregoing, there have been no transactions since the beginning of the Corporation's last financial year, nor are there any currently proposed transactions, in which the Corporation was or is to be a participant and the amount involved exceeds \$120,000, and in which any director, executive officer or other person as set forth in the preceding sentence, had or will have a direct or indirect material interest.

Review, Approval or Ratification of Transactions with Related Parties

The Corporation has adopted a written policy for the review of transactions with related persons. The policy requires review, approval or ratification of all transactions in which the Corporation is a participant and in which any of the Corporation's directors, executive officers, significant shareholders or an immediate family member of any of the foregoing persons has a direct or indirect material interest, subject to certain categories of transactions that are deemed to be pre-approved under the policy. As set forth in the policy, the pre-approved transactions include employment of executive officers, director compensation (in general, where such transactions are required to be reported in the Corporation's proxy statement pursuant to SEC compensation disclosure requirements), as well as certain transactions where the amounts involved do not exceed specified thresholds. All related party transactions must be reported for review by the Corporate Governance Committee of the Board of Directors. Transactions deemed to be pre-approved are not required to be reported to the Committee, except that transactions in the ordinary course of business must be submitted to the Committee for review at its next following meeting.

Following its review, the Corporate Governance Committee determines whether these transactions are in, or not inconsistent with, the best interests of the Corporation and its shareholders, taking into consideration whether they are on terms no less favourable to the Corporation than those available with other parties and the related person's interest in the transaction. If a related party transaction is to be ongoing, the Corporate Governance Committee may establish guidelines for the Corporation's management to follow in its ongoing dealings with the related person.

Management Contracts

There are no management functions of the Corporation which are to any substantial degree performed by persons other than the directors, senior officers or managers of the Corporation. The Corporation has entered into employment agreements with each of Michael B. Richings, Executive Chairman and Chief Executive

Officer, Gregory G. Marlier, Chief Financial Officer, and Frederick H. Earnest, President and Chief Operating Officer, as set forth above under “Termination of Employment, Change in Responsibilities and Employment Contracts.”

Shareholder Proposals

Under the Exchange Act, the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for an annual meeting of the Corporation is calculated in accordance with Rule 14a-8(e) of Regulation 14A to the Exchange Act. If the proposal is submitted for a regularly scheduled annual meeting, the proposal must be received at the Corporation’s principal executive offices not less than 120 calendar days before the anniversary date of the Corporation’s management information and proxy circular released to the Corporation’s shareholders in connection with the previous year’s annual meeting. However, if the Corporation did not hold an annual meeting the previous year, or if the date of the current year’s annual meeting has been changed by more than 30 days from the date of the previous year’s meeting, then the deadline is a reasonable time before the Corporation begins to print and mail its proxy materials. Accordingly, unless the date of the next annual meeting is changed by more than 30 days from the date of this year’s meeting the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for the next annual meeting of the Corporation will be November 13, 2009. If a shareholder proposal is not submitted to the Corporation by November 13, 2009, the Corporation may still grant discretionary proxy authority to vote on a shareholder proposal, if such proposal is received by the Corporation by January 27, 2010 in accordance with Rule 14a-4(c)(1) of Regulation 14A of the Exchange Act.

Other Matters

Management of the Corporation knows of no other matters, which will be brought before the Meeting other than those set forth in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgement of the persons voting such proxies.

Dissenters’ Rights of Appraisal

No action is proposed herein for which the laws of the Yukon Territory, the Articles or By-laws of the Corporation provide a right of a shareholder to dissent and obtain appraisal of or payment for such shareholder’s Common Shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Corporation’s officers and directors, and persons who own more than 10% of the Corporation’s Common Shares, to file reports of ownership and changes of ownership of such securities with the United States Securities and Exchange Commission. Based solely on a review of such reports, the Corporation believes that all filing requirements applicable to the Corporation’s officers, directors and holders of more than 10% of the Corporation’s Common Shares were complied with during the 2008 fiscal year.

Multiple Shareholders Sharing the Same Address

Recent changes in the regulations regarding the delivery of copies of proxy materials and annual reports to shareholders permit the Corporation and brokerage firms to send one annual report and proxy statement to multiple shareholders who share the same address under certain circumstances. Shareholders who hold their shares through a broker may have consented to reducing the number of copies of materials delivered to their address. In the event that a shareholder wishes to revoke such a consent previously provided to a broker, the shareholder must contact the broker to revoke the consent. In any event, if a shareholder wishes to receive a separate Information Circular and accompanying materials for the 2009 Annual General Meeting, or the Corporation's Annual Report on Form 10-K for the year ended December 31, 2008, the shareholder may receive copies by contacting the Executive Chairman and Chief Executive Officer of the Corporation at (720) 981-1185, 7961 Shaffer Parkway, Suite 5, Littleton, Colorado 80127. APPENDIX “C”
VISTA GOLD CORP.
STOCK OPTION PLAN

November 1996, as amended November 1998, May 2003, May 2005, May 2006 and May 2009

1. PURPOSE OF THE PLAN

The purpose of the Stock Option Plan (the “Plan”) is to assist Vista Gold Corp. (the “Corporation”) in attracting, retaining and motivating directors, officers and employees of the Corporation and of its subsidiaries and other persons providing consulting or other services to the Corporation and to more closely align the personal interests of such persons with those of the shareholders by providing them with the opportunity to purchase Common Shares (“Shares”) in the capital of the Corporation through options to purchase Shares (“Options”).

2. IMPLEMENTATION

The Plan and the grant and exercise of any Options under the Plan are subject to compliance with all applicable securities laws and regulations and rules promulgated thereunder (including the requirements of section 16 of the Securities Exchange Act of 1934 (the “1934 Act”) and Rule 16b-3 thereunder) and with the requirements of each stock exchange on which the Shares are listed at the time of the grant of any Options under the Plan and of any governmental authority or regulatory body to which the Corporation is subject (collectively “Securities Laws”).

3. ADMINISTRATION

The Plan shall be administered by the Board of Directors of the Corporation which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan.

4. MAXIMUM NUMBER OF OPTIONED SHARES RESERVED UNDER THE PLAN

Subject to the applicable requirements of each stock exchange on which the Shares are listed, the maximum number of Shares which may be issuable pursuant to Options granted under the Plan shall be equal to, but shall not exceed at any time, 10% of the total number issued and outstanding Shares of the Corporation as of the date of the grant on a non-diluted basis. The maximum number of Shares that may be reserved for issuance to any individual under the Plan is that number of Shares that is equivalent to 5% of the Shares issued and outstanding from time to time. If Options granted to an individual under the Plan shall expire or terminate for any reason without having been exercised in respect of certain Shares, such Shares may be made available for purchase upon exercise of other Options to be granted under the Plan.

5. ELIGIBILITY

Options may be granted under the Plan to such directors, officers and employees of the Corporation and of its subsidiaries and, subject to applicable Securities Laws, to such other persons providing consulting or other services to the Corporation as the Board of Directors may from time to time designate as participants (collectively the “Participants” and individually a “Participant”) under the Plan. Subject to the provisions of the Plan, the total number of Shares to be made available under the Plan and to each Participant, the time or times and price or prices at which Options shall be granted, the time or times at which such Options are exercisable, and any conditions or restrictions on the exercise of Options, shall be in the full and final discretion of the Board of Directors.

6. TERMS AND CONDITIONS

All Options under the Plan shall be granted upon and subject to the terms and conditions hereinafter set forth.

6.1 Option Agreement

All Options shall be granted under the Plan by means of an agreement (the “Option Agreement”) between the Corporation and each Participant substantially in the form set out in Schedule A attached hereto, and which shall first be approved by the Board of Directors with such changes to such form as the Board of Directors may approve, such approval to be conclusively evidenced by the execution of the Option Agreement by the President or any two directors or officers of the Corporation.

6.2 Exercise Price

The price (the “Exercise Price”) payable in cash at the time of exercise of an Option by a Participant for any Optioned Share will be not less than the price of an Optioned Share as recorded at the close of business on the Toronto Stock Exchange or the NYSE Amex (formerly named the American Stock Exchange), as selected by the Board of Directors, on the last trading day preceding the date a resolution of the Board of Directors was passed or consented to in writing granting the Option and authorizing the Corporation to enter into the Option Agreement. Subject to regulatory approval and applicable Securities Laws, the Exercise Price under any Option may be amended at any time with the consent of the Participant by resolution of the Board of Directors, in which event the relevant Option Agreement shall be deemed to be amended accordingly.

6.3 Length of Grant and Automatic Extension of Expiry Date

Subject to paragraphs 6.8 through 6.12 inclusive, all Options granted under the Plan shall expire not later than that date which is 10 years from the date such Options were granted.

If the expiry date of an Option occurs during a Blackout Period (as defined below), such expiry date shall be deemed to be extended to the date that is the 10th business day after the last day of the applicable Blackout Period. For the purposes of this Plan, “Blackout Period” means, with respect to an Option, any period during which the holder of the Option is not permitted to trade Shares pursuant to the policies of the Corporation.

6.4 Non-Assignability of Options

An Option granted under the Plan shall not be transferable or assignable (whether absolutely or by way of mortgage, pledge or other charge) by a Participant other than by will or other testamentary instrument or the laws of succession or administration and may be exercisable during the lifetime of the Participant only by such Participant.

6.5 Exercise of Options

Each Participant, upon becoming entitled to exercise the Option in respect of any Shares in accordance with the Option Agreement relating thereto, shall thereafter be entitled to exercise the Option to purchase such Shares at any time or times after such Options vest and become exercisable in accordance with the Option Agreement relating thereto and prior to the expiration or other termination of the Option in accordance with the Option Agreement.

6.6 Exercise and Payment

Any Option granted under the Plan may be exercised in whole or in part by a Participant or, if applicable, the legal representative of a Participant by delivering to the Corporation at its registered office written notice specifying the number of Shares in respect of which such Option is being exercised, accompanied by payment (by cash or certified cheque payable to the Corporation) of the entire Exercise Price (determined in accordance with the Option Agreement) for the number of Shares specified in the notice. Upon the exercise of an Option by a Participant the Corporation shall cause the transfer agent and registrar of Shares of the Corporation to promptly deliver to that Participant or the legal representative of that Participant, as the case

may be, a share certificate in the name of that Participant or the legal representative of that Participant, as the case may be, representing the number of Shares specified in the written notice.

6.7 Rights of Participants

The Participants shall have no rights whatsoever as shareholders in respect of any of the Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering) other than Shares in respect of which Participants have exercised their Options and which have been issued by the Corporation.

6.8 Third Party Offer

If at any time when an Option granted under the Plan remains unexercised with respect to any Shares, an offer to purchase all of the outstanding common shares in the capital of the Corporation is made by a third party, the Corporation may, upon giving each Participant written notice to that effect, require the acceleration of the time for the exercise of the unexercised Options granted under the Plan and of the time for the fulfillment of any conditions or restrictions on such exercise.

6.9 Alterations in Shares

In the event of a stock dividend, subdivision, redivision, consolidation, share reclassification, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the Board of Directors may, subject to any required prior regulatory approval, make adjustments, if any, to the number of Shares that may be purchased upon exercise of unexercised Options or to the Exercise Price fulfillment, or both, as it shall deem appropriate and may amend the Option Agreements relating to those Options to give effect to such adjustments and may adjust the maximum number of Shares available under the Plan as may be appropriate. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of Shares for shares or other securities in another company is imminent, the Board of Directors may, in a fair and equitable manner and subject to prior regulatory approval, determine the manner in which all unexercised Options granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such Options by the Participants and of the time for the fulfillment of any conditions or restrictions on such exercise.

6.10 Termination for Cause

Subject to paragraph 6.11 and section 7, if a Participant is dismissed as an officer or employee by the Corporation or by one of its subsidiaries for cause, all unexercised Options of that Participant under the Plan shall immediately be deemed to be terminated and shall lapse notwithstanding the original term of the Option granted to such Participant under the Plan. Nothing contained in the Plan shall be deemed to give an officer or employee the right to be retained in the employ of the Corporation, or to interfere with the right of the Corporation to terminate the employment of an officer or employee at any time.

6.11 Termination Other Than for Cause

If a Participant ceases to be a director, officer or employee of the Corporation or of one of its subsidiaries or ceases to provide consulting or other services to the Corporation for any reason other than as a result of having been dismissed for cause as provided in paragraph 6.10 or as a result of the Participant's death, such Participant shall have the right for a period of 30 days (or until the normal expiry date of the Option rights of such Participant if earlier) from the date of ceasing to be a director, officer, employee or provider of services to exercise the Options of such Participant to the extent they were then exercisable. Upon the expiration of such 30 day period all unexercised Options of that Participant shall immediately be terminated notwithstanding the original term of the Option granted to such Participant under the Plan.

6.12 Deceased Participant

In the event of the death of a Participant, the legal representatives of the deceased Participant shall have the right for a period of 90 days (or until the normal expiry date of the Options of such Participant if

earlier) from the date of death of the deceased Participant to exercise the deceased Participant's Options to the extent they were exercisable on the date of death. Upon the expiration of such period all unexercised Options of the deceased Participant shall immediately terminate and shall lapse notwithstanding the original term of the Options granted to the deceased Participant under the Plan.

7. AMENDMENT AND DISCONTINUANCE OF PLAN AND OPTIONS

The Board of Directors may from time to time, subject to any applicable Securities Laws and any required prior regulatory approval, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Options previously granted to a Participant under the Plan without the consent of that Participant.

8. NO FURTHER RIGHTS

Nothing contained in the Plan nor in any Option granted hereunder shall give any Participant or any other person any interest or title in or to any Shares or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation whatsoever other than as set forth in the Plan and pursuant to the exercise of any Option, nor shall it confer upon the Participants any right to continue as an employee or executive of the Corporation or of its subsidiaries.
