AUDIT COMMITTEE CHARTER

I. GENERAL

The Audit Committee (the “Committee”) is a committee of the Board of Directors (the “Board”), appointed to assist the Board in monitoring: (1) the Company’s accounting and financial reporting processes; (2) the integrity of the financial statements of the Company; (3) compliance by the Company with legal and regulatory requirements; (4) the independent auditor’s qualifications, independence and performance; (5) the Company’s policies and procedures for the identification, assessment and management of business risks; and (6) business practices and ethical standards of the Company. The Committee provides an open avenue of communication between management, the independent auditor and the Board.

The Committee will recommend to the Board the independent auditor to be nominated for shareholder approval and the compensation of the independent auditor to be recommended for shareholder approval, and will retain and oversee the work of the Company’s independent auditor. The independent auditor of the Company is ultimately accountable to the Board and the Committee.

The Committee will also perform other activities consistent with this Charter, the Company’s constating documents, securities regulations and governing laws as the Committee or the Board deems necessary and appropriate.

In performing its functions, the Committee must comply with the requirements of applicable laws, including Canadian National Instrument 52-110 *Audit Committees* (“NI 52-110”). Nothing herein is intended to expand, or shall result in the expansion of, applicable standards of liability under U.S. or Canadian law for directors of a corporation.

II. COMPOSITION AND QUALIFICATIONS

The Committee shall be comprised of three or more directors appointed by the Board. Each member of the Committee shall be independent. The independence of each member will be determined by the Board based on the requirements of all applicable laws and regulations with respect to audit committee independence, including independence requirements of Rule 10A-3 under the U.S. Securities Exchange Act of 1934, as amended, the NYSE American company guide, and NI 52-110.

Members of the Committee must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years. Each Committee member must have no direct or indirect material relationship with the Company. For the purpose of this Charter, a “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment.

All members of the Committee shall have a working familiarity with basic finance and accounting practices, and shall be able to read and understand financial statements, including the Company's balance sheet, income statement and cash flow statement. At least one member of the Committee shall be able to analyse and interpret a full set of financial statements, including the notes attached thereto, in accordance with United States generally accepted accounting principles. At least one member of the Committee shall qualify and be designated as the Audit Committee Financial Expert as determined in the judgment of the Board with reference to applicable law, including Rule 10A-3 under the U.S. Securities Exchange Act of 1934, as amended, and shall be "financially sophisticated" as described under the NYSE American company guide. Each member of the Committee must be financially literate as such term is defined in NI 52-110 and the NYSE American company guide.

III. APPOINTMENT AND REMOVAL

The members of the Committee shall be appointed annually by the Board at the first meeting of the Board following the annual general meeting. The Board may remove the members of the Committee, with or without cause, by a majority vote of the Board. Any vacancy in the Committee occurring for any cause may be filled by a majority of the Board then in office. A Chair of the Committee shall be appointed by the Board to: (i) provide leadership to the Committee; (ii) manage the affairs of the Committee; and (iii) ensure that the Committee functions effectively in fulfilling its duties to the Board and the Company.

IV. MEETINGS

A majority of the members of the Committee shall constitute a quorum for the transaction of business and the act of a majority of those present at any meeting at which there is a quorum shall be the act of the Committee.

The Committee shall meet in person, telephonically or electronically four times annually, on a quarterly basis, or more frequently as circumstances require. The Committee shall require members of management and the independent auditors and others to attend meetings and to provide pertinent information, as necessary. As part of its job to foster open communications, the Committee shall meet in separate sessions, as frequently as deemed necessary, with management and the Company's independent auditors to discuss any matters that the Committee, or either of these groups believes should be discussed privately. The Committee shall submit the minutes of all meetings of the Committee to, and, when requested, discuss the matters discussed at each Committee meeting with the Board.

V. AUTHORITY, DUTIES AND RESPONSIBILITIES

The Committee will have the authority and responsibility to recommend to the Board the independent auditor to be nominated for shareholder approval and the compensation of the independent auditor to be recommended for shareholder approval. In addition, the Committee shall have the authority and responsibility to retain, compensate, evaluate and oversee the independent auditor and, where appropriate, fill a vacancy in the office of independent auditor. The independent auditor must report directly to the Committee and the Committee will be responsible for resolving disagreements between the auditors and the Company's management.

The Committee shall recommend to the Board for approval all audit engagement terms and fees and shall approve all non-audit engagements with the independent auditor.

Without limiting the generality of the foregoing, to fulfill its responsibilities and duties, the Committee shall:

3. Review and discuss reports from the independent auditor on: (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (c) other material written communications between the independent auditor and management.

Review disclosures made to the Committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for the Company's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q about any significant deficiencies in the design and operation of disclosure controls and procedures, and any fraud involving management or other employees who have a significant role in the Company's internal controls.
11. Discuss at least annually with the independent auditor the matters required to be discussed by the PCAOB Standard, AU Section 380 - Communication with Audit Committees.
